Workshop Overview:

MODULE 1: Two Day Workshop For 5th, 6th and 7th Class Student.

Course High Light:

- Number System.
- Vedic Mathematical Operation of Addition, Subtraction, Multiplication, Division, Square, Square Root, Cube, Cube Root, Lcm, Hcf etc.
- Decimal and Recurring Value.
- Grocery Problem.
- Percentage.
- S.I Unit Conversion.
- 2D/3D Figure Reasoning.
- Mental Reasoning.
- Puzzles.
- Workout.
- Miscellaneous Activity.

MODULE 2: Two Day Workshop For 8th, 9th and 10th Class Student.

Course High Light:

- Linear Equation.
- Quadratic Equation.

- Pythagoras Theorem Proof using Vedic Math's.
- Vedic Geometrical Proof.
- Number System.
- Vedic Mathematical Operation of Addition, Subtraction, Multiplication, Division, Square, Square Root, Cube, Cube Root, Lcm, Hcf etc.
- Decimal and Recurring Value.
- Grocery Problem.
- Percentage.
- S.I Unit Conversion.
- 2D/3D Figure Reasoning.
- Mental Reasoning.
- Puzzles.
- Workout.
- Miscellaneous Activity.

Advantages to Attained Vedic Math School Workshop:

A trusted name in the educational training industry since 2014.

We are Associated with Hundreds of educational Institutions, and College and list are growing on.

We Trained more than five thousand of students at all levels, across the Nation.

Highest feedback of an average of over 4.8 on a 5-point scale.

MODULE 3: Two Day Workshop For 11th and 12th Class Student.

Course High Light:

- Vedic Proof of Pi.
- Vedic Numeral System and Understanding.
- Vedic Method of Trigonometry.
- Linear Equation.
- Quadratic Equation.
- Pythagoras Theorem Proof using Vedic Math's.
- Vedic Geometrical Proof.
- Number System.
- Vedic Mathematical Operation of Addition, Subtraction, Multiplication, Division, Square, Square Root, Cube, Cube Root, Lcm, Hcf etc.
- Decimal and Recurring Value.
- Grocery Problem.
- Percentage.
- S.I Unit Conversion.

- 2D/3D Figure Reasoning.
- Mental Reasoning.
- Puzzles.
- Workout.
- Miscellaneous Activity.

Our Facilities:

- Up to Date Study Material.
- Start from Zero Level.
- Limited No of Seats in Each Workshop.
- Lucid and Scientific Approach to Study.
