WORKSHOPS AND TALKS ON VEDIC MENTAL MATHEMATICS:

We've been delivering training workshops and talks on Vedic Mathematics since 2014. We've held nearly 100's of Event Each Year Across India, and they are invariably excellently attended, and receive top feedback. They are delivered by our Experienced Trainer Prince Jha, who between them trained over 5000+ Students Across the Nation Through Workshops and Webinars. We thus speak from real experience, not theory.

We offer four different types of workshops and talks depending on the audience. The first and most famous is the Vedic Math's Training Program (VMTP) for school students which are usually between 6 to 8 hours daily for two days in duration(Total 16 hrs). We also do versions for Cat, Sat or Other Competitive Aspirants. We are even going to Start the Online Course on Udemy soon for those students who need the regular course on Vedic Math's with one hour/day basis. Finally, we even do short talks for open days, events, and roadshows, including to large audiences. Read more about our four types of Workshop...

1. VEDIC MATH'S TRAINING PROGRAM (VMTP):

Our most popular workshop, which often runs under the title “**VMTP**”. The workshop is taught via a mixture of presentations, live demonstration of Vedic Mathematics Sutra, Tricks, Tips, Method and Example on Each of the Vedic Math’s Sutra, Depth discussions on Subject Matter, and Application of Ancient Vedic Mental Mathematics in Modern Era.

- Intended audience: All students.
- Audience size: Up to 70 (advised limit)
- Duration: 16 hrs. (8hrs/day).
- Up to Date Study Material.
- Start from Zero Level.
- Limited No of Seats in Each Workshop.
- Lucid and Scientific Approach to Study.
